## From Your Chapter Directors

---

Hi Guys,

Well, it's that time again- hope and pray all of you are healthy and well. Had our chapter "Racoon cookoff" on Sat the 13th and it was a real success. We had just about all of our members here, which was great, got to see everyone and catch up. Now back to the cookoff, it was quite interesting, we did have hot dogs for those that weren't so brave to try something different but most of us did try it and to my surprise ( Janet ) it was good! We handed out ballots for a secret vote and it was close- James won and AC was a close runner up. They received beautiful framed certificates made by Ted & Nancy, thanks guys.

We read the email from Glenn & Joy our District Directors about WOS 2020 being cancelled, people were not happy but totally understood. In the email they brought up plans to organize the first Wings over Carolina- 3 separate regional rides across our state with routes and gathering events in the fall, more details to follow.

We have a ride scheduled for Sat. June 27 to Morrow Mt.-meet at 10am Golden Coral. Our next chapter gathering picnic social distancing will be Sat. July 11, time and place to be announced depending on "phase" announcement either at a park or Capt Larry's. Until then ride safe & have fun.

Bye.
